## Navigating the Process of Shipping from China to Amazon FBA

When shipping directly from Chinese factories to Amazon FBA warehouses, it's crucial to adhere to Amazon's strict guidelines. Here's what you need to know:

- Proper cargo labeling is mandatory.
- Shipments must be palletized and marked for easy unloading.
- Deliveries should be made according to DAP or DDP terms to the Amazon warehouse.

Remember, Amazon does not handle shipping or customs clearance, so it's essential to manage these aspects as a seller.
