

Professional Fresh Cold Chain Air Freight Services | Certified by 11 International Associations

Who We Are

As a professional freight forwarder certified by 11 international industry associations, we specialize in air freight solutions for perishable goods. We are a formal service provider with complete qualifications, a professional team, and standardized processes, offering safe and reliable cross-border transportation for high-value goods to global clients.

Transportation Qualification Requirements

Based on the characteristics of different industries, we recommend that clients prepare relevant qualification documents to ensure compliant and efficient transportation:

Pharmaceutical Products

- GSP (Good Supply Practice) certification
- Relevant drug registration and filing documents

Food & Fresh Goods

- ISO 22000 Food Safety Management System

- HACCP (Hazard Analysis and Critical Control Points) certification

General Requirements

- ISO 9001 Quality Management System certification
- Product inspection and quarantine certificates
