7) What is cargo insurance and should I insure for my cargo?

Cargo insurance is to insure your cargo against the loss from certain risks when transportation such as natural calamities-heavy weather, lightning, tsunami, earthquake and flood, or Partial Loss caused by accidents/consequent on falling of entire package or packages into sea during loading, transshipment or discharge etc. We highly recommend shipper/cnee can insure for each shipment in case above situation happen.

Before inquiry, providing your cargo details as following will be highly appreciated.

- 1. Name of commodity**
- 2. Commodity details (material/specification/with brand or without brand)**
- 3. Total Gross Weight of commodity**
- 4. Total Volume of commodity**
- 5. Supplier place**
- 6. Delivery address**
- 7. Cargo ready time**

Shipping by air is generally faster but more expensive than shipping by ocean, so the mode you choose will depend on the size and weight of your shipment, and how quickly you need it to arrive at destination.
