

Thailand, known for its vibrant culture, bustling markets, and strategic location in Southeast Asia, serves as a critical hub for global trade. Our Thailand DDP (Delivered Duty Paid) Thailand, with its capital Bangkok being a key economic and cultural center, offers a dynamic market for various industries. The country's strategic location makes it an ideal gateway to the ASEAN region. Our logistics solutions are designed to leverage Thailand's connectivity, ensuring your goods are delivered efficiently and reliably.

Service Options:

- **Air Freight DDP:** Fast delivery for urgent shipments.
- **Sea Freight DDP:** Efficient for bulk and less urgent goods, with a transit time of 15-18 days from Guangzhou.
- **Land Freight DDP:** Quickest option, with a transit time of 5-7 days from Guangzhou, ideal for time-sensitive cargo.

Special Handling for All Types of Cargo:

- Whether your cargo is general merchandise or sensitive goods, we ensure compliance with all regulations and provide tailored logistics solutions. Our services cover a wide range of products, including but not limited to:
 - Ceramic tiles, products with built-in batteries, electrical appliances, LED lights, lamps, energy-saving lamps, tricycles (without batteries), and electric vehicles (without batteries). For electric vehicles with batteries, special verification is required and may not be eligible for shipment.
 - Beauty devices, massage chairs, beauty products, massage instruments, medical supplies, liquid powders, adhesives, pigments, various powdery liquids (hazardous goods, flammable, and explosive items are not accepted), cosmetics, and food products.
